AnshulPartners with Edna Group for Cocoa Product

(August 6, 2015)

Anshul partners with Edna Group for marketing and distribute its Cocoa Products including Cocoa Powder (Natural, Alkalized), and Cocoa Butter (Scented, Unscented).

Edna Group is an ethical, quality conscience Sri Lankan conglomerate that has decades of experience manufacturing confectionary.

Edna sources its Cocoa from Ghana, Indonesia, and Srilanka. The blend is considered to be one of the finest in taste, aroma, and texture.

Through this partnership Anshul hopes to create value for its customer base by ensuring a steady supply of Cocoa (Natural and Alkalized) that will pass the most stringent FSSAI import norms.

Edna plant has been approved and certified by Cadbury India.
